Wednesday, March 8th

Midterm project

- some test files added/updated (see Piazza posts 360 and 363)

- Gradescope submission available soon (maybe tommorrow)

- due Friday, Mar 17th (no late submissions)

Midterm exam

- On Gradescope
- 70 minutes, in class
- Allowed resources:
  - materials on or linked from the course website
  - ugrad account, your files, editor, compiler, etc.

- If you are planning on using your own laptop, make sure it is fully charged

- We recommend being familiar with logging into and using the room PCs as a fallback in case you have issues with your laptop

- Review session this evening at 6pm (see Piazza for link)
